DATA SHEET

Adapter High Speed HDMI - mirco D male > A female

Description

This adapter High Speed HDMI with Ethernet by Delock complies with the latest HDMI standard and combines fast data transfer as well as audio- / video and Ethernet connection in one. The micro HDMI-D connector is especially made for the latest generation of mobile phones and digital cameras and enables the transfer of data like videos, pictures etc. Thus you can e.g. convert the HDMI-D interface of your mobile phone into a HDMI-A port and connect it to your TV by using an optional HDMI (HEC) cable. The picture on your mobile phone display will be transferred to a bigger monitor.

Ref.	65276
